# JOB COACHING PEOPLE WITH DISABILITIES PROJECT

by Sinop İl Milli Eğitim Müdürlüğü

Sinop İl Milli Eğitim Müdürlüğü has organized 3rd meeting on Lifelong Learning program Leonardo Partnership Project “JobCoaching People with Disabilities Project” that is funded by European Commission in Sinop between 10-13 October 2013 at Sinop Öğretmenevi meetinghall.

Job Coaching people with Disabilities Project is a Leonardo partnership Project aims to develop a skill assessment tool for people with disabilities when they start their vocational education. Additionally we will prepare a comparative report on National Legislations for People with Learning Disabilities.

The meeting started with the participants from Sinop Provincial Directorate of Ministry of Education (TURKEY), Social Enterprise Europe Ltd (UK) and The Initiative of “Tezaurus”, Kedainiai.

(LITHUNIA) on 11th of

October with some cultural activities and visit to Vocational education school for people with disabilities in Sinop. The coordinator and 2 partners couldn't join the meeting because of some internal problems.

The main meeting date was 12nd of October. The group discussed the following points and take these decisions:

The participants reviewed the web site and find some missing points. Turkish partner will send some missing information to Bulgarian partner about Sinop İl Milli Eğitim Müdürlüğü.

Additionally the photo and other notes about this meeting will be produced by Sinop İl Milli Eğitim Müdürlüğü.

Social Enterprise (UK partner) is responsible of comparative report and they told that all the partners didn't send the national drafts for comparative reports of the consolidated report is not ready but they preparedsth. The group decided to prepare the national drafts as soon as
